Why Luxembourg?

Luxembourg benefits from a stable political and financial situation and a highly skilled and multilingual workforce, many international e-commerce companies are already transferring or are considering transferring their e-commerce activities to Luxembourg.

Luxembourg a prime location for your business with tax advantages.

About Visual Online:

Visual Online is one of the most renowned **Internet** and **VOIP** service providers in Luxembourg with its own international redundant backbone and colocation infrastructure, operating Tier Level 2 and Tier level 4 **Datacenters**, and distributing it through its <http://www.colocation-center.com> platform. Visual Online S.A. is also a **Domain name** registrar for most of TLDs through its <http://www.dns-stock.com> platform.

Our Datacenters:

Visual Online S.A. operates **3 datacenters** in Grand Duchy of Luxembourg that are interconnected through fiber (**Luxembourg City**, **Contern** and **Windhof**). These datacenters answer to the most demanding customer needs and industrial norms in terms of reliability and security.
